REQUEST TO WITHDRAW THE HOLDING OF ABANDONMENT
UNDER 37 C.F.R. §1.81

Applicants respectfully request that the Notice of Abandonment issued in the above-identified application be withdrawn. This Request to Withdraw The Holding of Abandonment is responsive to the Notice of Abandonment mailed from the Patent Office on September 8, 2004, in the above-identified application. The Notice indicates that the application is abandoned in view of Applicant's failure to respond to the Office Action dated February 19, 2004.

Applicants submit that a response to this Office Action was filed in a timely fashion. However, due to the fact that there were errors in the header information of the response as filed, the Patent Office incorrectly identified the response. The Attorney Docket Number, names of

Serial No.: 09/748,077
Conf. No.: 3246

-2-

Art Unit: 2183

the inventors and the title were correct for this application. Also the correct serial number and art unit were listed on the second page on the Amendment as well as on the return postcard.

Applicants' representative is also the attorney of record for Serial No. 09/340,776, the serial number erroneously used to identify the instant application. In an attempt to locate the missing Amendment, my assistant Eileen MacKenzie placed a telephone call to the Examiner in charge of Serial No 09/340,776, Examiner Phan. During this telephone conversation on September 13, 2004 with Examiner Phan, Examiner Phan indicated to Mrs. MacKenzie that the Amendment filed on June 21, 2004 for Serial No 09/748,077 was received by the Patent Office on June 23, 2004 and was in fact filed in an incorrect application. The Amendment was filed in Serial No 09/340,776.

Clearly, Applicants' intended to file a response in the present application but used an incorrect serial number on the transmittal letter. Accordingly, Applicants hereby request that the Patent Office transfer the amendment filed on June 21, 2004, and received by the Patent Office on June 23, 2004 (copy of Amendment and date-stamped return receipt postcard enclosed), from application Serial No. 09/340,776 to application Serial No. 09/748,077.

An early and favorable response is respectfully requested in this matter. Should any questions arise concerning the above the Examiner is respectfully requested to call the undersigned at the number listed below.

Respectfully submitted,

Cofler et al., Applicant
